Fairview and Ebenezer Foundations

Stock Giving Instructions

Fairview Foundation and Ebenezer Foundation, both 501(c)3 non-profit organizations, graciously accept gifts of stock. You can give a gift of securities, including stocks, or mutual funds that have appreciated in value. Gifts of publicly traded securities provide a double tax benefit. You avoid a capital gains tax on appreciated securities and you receive a charitable income tax deduction for the full fair market value of the securities.

According to IRS Guidelines, the date and value of your gift are determined by the date on which Fairview or Ebenezer Foundation takes control of the securities.

Listed below is the information needed to make your stock transfer. When the gift is held by a stockbroker, contact your broker with instructions to make a stock transfer into the Fairview or Ebenezer Foundation account. Your broker may ask you for the information below to start the transfer process.
