

*Fairview Foundation Report 2002*

 **FAIRVIEW**

## *Fairview Foundation Mission*

To promote philanthropy and build relationships in support of Fairview's mission to improve the health of the communities we serve. The Fairview Foundation supports Fairview health care programs and services, including community-based programs, which address the physical, emotional and spiritual needs of individuals and their families.

## *Dear Friends and Contributors*

*A* As your new board chair, I would like to offer some highlights of the past fiscal year.

- 2002 provided many challenges due to economic pressures; the foundation experienced financial asset losses due to the stock market plummet. So did many of our contributors.
- Despite those challenges, our contributors helped us achieve our revenue goals and we were able to allocate a record \$3 million to a wide variety of health-related programs and projects within Fairview and in the communities we serve.
- Contributions from many sources totaled nearly \$2.4 million to specific restricted funds and to our key unrestricted fund that provides for our allocations process.
- The Fairview Employee Campaign once again exceeded its goal with a total of \$443,607 (gross) with an average gift of \$106. On behalf of all of us at the foundation, we thank the Fairview employees for going above and beyond in their giving.
- Two well-attended special events helped raise awareness and dollars for two of our restricted funds. Held in the fall, both were first-time events: A Tribute to Excellence—a benefit for the Brain Tumor Center of Minnesota and the Transplant Gala for the Transplant Center's Living Donor Assistance Fund.

As you read the following pages, you will learn what your support means to the people we serve. We thank you for your gifts and your prayers to help make 2003 a successful year.

Sincerely,

Bernie Wagnild  
Fairview Foundation  
Chair, Board of Directors

## 2002 Fairview Employee Campaign

The 2002 Fairview Employee Campaign exceeded its goal by raising \$443,607 (gross) in pledges and cash with fewer gifts than last year. The average gift given was \$106, compared with an average gift of \$92 last year. The number of employees pledging this year totaled 3,796; last year it was 3,973.

Of those supporting Fairview programs, 231 people pledged paid time off hours.

### The Fairview Employee Campaign helps

- support patients who are unable to meet medical and care bills as well as spiritual needs
- support programs that have unmet needs due to budget constraints
- support semi-annual community allocation grants
- support fellow employees through hard times

## 2002 Foundation Special Events

### Fairview Ridges Hospital Community Golf Benefit

Raised \$29,738 (net)

Staff worked with committee members to raise money primarily from businesses and golfers in the Minnesota Valley area. This year's funds were designated for grief support for children, breast disease diagnostic equipment and healing arts environment support for the hospital.

### Turtle Derby

Raised \$16,748 (net)

This special event is held on the University campus in the early summer. Departments and individuals throughout Fairview–University Medical Center sponsor turtles. The turtles, dressed in colorful silk vests, “race” to the finish mark. Food, music and a parade highlight the day. The event is televised via closed-circuit television to the children's units in Fairview-University Medical Center. This year's funds were designated to develop a diversity enhancement program for the children's hospital.

### Tribute to Excellence

Raised \$21,000 (net)

This first-time special event was held to benefit the Brain Tumor Center of Minnesota. The evening featured a silent auction, a live auction, a Neiman Marcus fashion show, dinner and dance. The event sponsors were Fashion Group International and the University Medical Auxiliary.

### Transplant Gala

Raised \$180,000 (net)

This special event was held to celebrate living through giving. The event raised \$180,000 of which \$90,000 goes to the Fairview Foundation for the Roberta Simmons Living Donor Transplant Assistance Fund to help organ donors and their families with expenses.

### Donor Events

#### Fairview Society Dinner

Held in October, the Fairview Society Dinner welcomed more than 100 donors who have given \$250 or more in one year, or a cumulative total of \$10,000 or more.

## Program Descriptions

### Community Action Council, Inc. (CoAm) – Keeping Families Safe

for development and implementation of a model that incorporates prevention of domestic violence, child abuse, neglect and maltreatment and incorporates intervention into all CoAm services.

### Fairview's Clinical Pastoral Education

for operations and development including a combination of full- and half-time residencies throughout Fairview.

### Fairview Lakes Regional Health Care – Introduction to Health Care

for health care career exploration course at Forest Lake High School and Chisago Lakes High School.

### Fairview Lifeline

for support of the sliding fee scale for Lifeline services. Sliding fee is offered to low-income elderly and disabled individuals who would not be able to pay the regular monthly fee.

### Fairview Press

3,000 copies of a booklet on accessible housing/universal design. Distributed free to older adults. To help reduce accidents and injuries and to allow older adults to stay in the least restrictive environment possible.

### Fairview Red Wing Health Services – Community Health Outreach

for support of the second year of services with a dedicated community health outreach coordinator.

### Hibbing Community College

to improve the quality and opportunities for the Northeast Minnesota First Responders. Priorities include education, training, recruitment and new equipment. The first responders, particularly in far-reaching rural area, play a critical roll in a patient's successful treatment.

### Senior Care Partners

to benefit low- to moderate-income seniors seeking care from Fairview clinics and hospitals. The funding will assist with co-pays and deductibles for physician office visits and acute care.

### Women's Cancer Resource Center

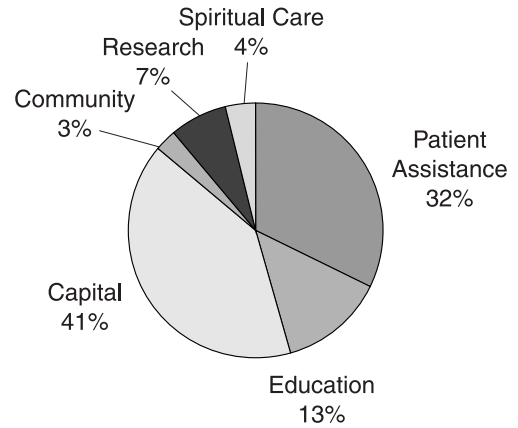

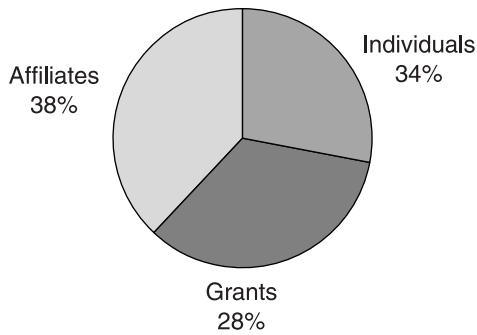

for parking fees, stipends for artists, posters, flyers, programs, mailings, public relations, fabric and scarves and staffing.

### YMCA of Metro Minneapolis

for the Healthy Lifestyle Initiative to reduce the risk of serious health problems by encouraging regular physical exercise and good nutrition.
