

VIRTUAL PHARMACY RESIDENCY PREVIEW NIGHTS

You are invited to join the M Health Fairview pharmacy residents and program directors to learn more about the residency opportunities within our health system.

NOTE: The first two sessions will provide a general overview of our pharmacy services and a preview of the various programs. Following the overview session dates, you will have an opportunity to meet with the below individual programs, including current residents and program directors. Individual program sessions will be a more detailed look at the program followed by a question and answer session.
