

Fairview Pharmacy Services

PGY1 & PGY2 Specialty Pharmacy Administration and Leadership Residency

PROGRAM OVERVIEW

This 24-month program offers a comprehensive two-year experience that integrates the diverse clinical training from the PGY1 ambulatory residency with the rotational, longitudinal management and leadership experiences provided during the PGY2 SPAL residency year.

The Pharmacy Residency Program offers direct patient care opportunities across various clinical areas, along with leadership experience in specialty pharmacy, home infusion, 340B, industry and payer relations, and supply chain management. Each resident's experience is customized to align with their individual interests and clinical skill development needs, with a strong emphasis on cultivating leadership and management abilities. Graduates of this residency program will be prepared for success as a specialty pharmacy leader capable of practicing in and overseeing specialty pharmacy services within a healthcare system.
