

Fairview Pharmacy Services

PGY1 Ambulatory Practice Residency

PROGRAM OVERVIEW

The Fairview Health Services and M Health Fairview University of Minnesota Medical Center Ambulatory Pharmacy Practice Residency is located throughout Fairview Health Services practice sites. This residency is designed to provide valuable experience in pharmacy services throughout ambulatory pharmacy settings.

This ambulatory-focused residency highlights the expanding opportunities in outpatient pharmacy. This residency combines clinical skills with patient interaction in a variety of settings. Residents will continue to develop their interprofessional skills through continued collaboration with the healthcare team. Residents will become seasoned in interacting with patients, and helping them learn the skills to manage their own health.

Residents will have the unique opportunity to tailor their rotations to their individual interests and clinical knowledge development needs.
