Free consultation

During a free 15-minute skin consultation, learn what services and products may be best for your skin type. Also, receive a free foundation color match with Jane Iredale bases.

Custom Facial

A 60-minute facial is customized to your skin's needs and is great for all skin types. It includes a cleanse, steam, exfoliation mask, extractions (if needed), a treatment mask and concludes with a serum, hydration and sun protection. You'll also enjoy a relaxing scalp/shoulder or hand/arm massage during your treatment. **\$70**

Back Facial

A 45-minute relaxing treatment starts with a deep cleansing followed by exfoliation, extractions (if necessary) and a mask to balance the skin. Helps to treat and prevent breakouts, leaving skin incredibly smooth. **\$70**

Express Facial

A deep, pore cleansing treatment is perfect for anyone with skin buildup, pore congestion, oily skin and large pores. It's designed to clear blackheads, follicular buildup and existing blemishes (with the exception of Grade III and IV acne). During your treatment, either chemical or physical exfoliation is used to prepare your skin for extractions. **\$45**

HydraFacial™

HydraFacial™ is the new generation of micro-dermabrasion and combines cleansing, exfoliation, extraction, hydration and antioxidant protection. A Vortex-Fusion™ of glycolic, salicylic and hyaluronic acid, along with antioxidants and peptides are infused into the skin. This non-invasive and non-irritating treatment can improve the appearance of fine lines and wrinkles, congested and enlarged pores, oily skin, mild to moderate acne and sun spots.* **\$135** or **\$110** for first time HydraFacial™ clients.

Purchase a package of three for **\$405** and get the fourth treatment free. Series recommended for best results.

Purifying HydraFacial™

A customized treatment combines a HydraFacial™ with LED light therapy and high frequency, which helps improve oily and congested skin.* **\$135**

Purchase a package of three for **\$405** and get the fourth treatment free. Series recommended for best results.

Ultimate HydraFacial™

A HydraFacial™ treatment combined with the added benefits of lymphatic drainage. Lymphatic drainage moves fluid and helps to decrease swelling and increase circulation.* **\$160**

Purchase a package of three for **\$480** and get the fourth treatment free. Series recommended for best results.

AHA peel

This superficial chemical exfoliation promotes the repair and regeneration of skin. It improves skin texture and is good for aging, acne, and sun-damaged skin.* **\$70**

Purchase a package of three for **\$210** and get the fourth treatment free. Series recommended for best results.

Salicylic peel

This peel addresses acne breakouts. It works by unplugging blocked pores and reduces the swelling and redness associated with breakouts.* **\$70**

Purchase a package of three for **\$210** and get the fourth treatment free. Series recommended for best results.

SkinMedica® Illuminize Peel®

The Illuminize Peel® incorporates a blend of alpha and beta hydroxy acids to improve clarity, color and skin texture. It enhances your skin's radiance with minimal down time and discomfort. Appropriate for first time peel clients and those who prefer a gentle peel.* **\$100**

Purchase a package of three for **\$270**

HydraFacial™ and SkinMedica® Illuminize Peel® Package

The ultimate combination package to rejuvenate your skin and enhance your radiance. Look renewed and refreshed with minimal downtime. Package includes three HydraFacial™ treatments and three SkinMedica® Illuminize Peels.* **\$570**
