

Fairview Lakes Medical Center

Imaging Services parking and registration information

Parking

For Imaging customers wishing to self-park, use the Emergency Department parking lot. The directional signs to this parking lot will also indicate parking for Diagnostic Imaging.

Valet parking is also an option. This is a free service for our customers. Valet attendants are at the main hospital entrance. They can also help you in getting a wheelchair and assistance to reach your appointment, if needed. Valet attendants are on duty from 8 a.m. to 4:30 p.m. most weekdays.

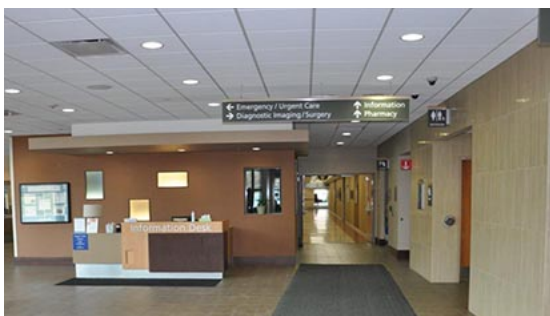

Entrance and check-in location

If self-parking, use the Emergency Department entrance. Imaging Services will be the first door to the right as you enter.

If you are valet parking and entering through the main hospital entrance, walk down the hallway to the right as you enter (next to the Fairview Pharmacy). Follow the signs for Diagnostic Imaging.

Please check-in at the desk located in the Diagnostic Imaging/Surgery waiting area.

For appointments after 5 p.m. Monday - Friday or weekend appointments, please check in at the Information desk inside the Emergency Department entrance.

Information desk at Emergency Department entrance. Diagnostic Imaging entrance on right.
