

M HEALTH FAIRVIEW UNIVERSITY OF MINNESOTA and FAIRVIEW PHARMACY SERVICES:

PGY1 & PGY2 Health System Pharmacy Administration and Leadership Residency

Program Overview

The Health-System Pharmacy Administration and Leadership Residency is a 24-month program. There are two positions: one based at M Health Fairview University of Minnesota Medical Center (UMMC) and one based at Fairview Pharmacy Services (FPS). This program fulfills the requirements of a PGY1 Pharmacy Residency and a PGY2 Residency in Pharmacy Administration and Leadership.

At M Health Fairview University of Minnesota Medical Center, the latest in technology and treatments is balanced with patient-centered care. As the core teaching hospital of the University of Minnesota Medical School and College of Pharmacy, the hospital is among the most respected in the nation, providing superior health care results.

The Pharmacy Residency Program consists of direct patient care opportunities in medicine, surgery, critical care, pediatrics, ambulatory care, specialty, home infusion, retail and various specialty areas. Each resident's experience is tailored to individual interests and clinical skill development needs. The program focuses on the development of leadership and management skills.
