

VIRTUAL PHARMACY RESIDENCY PREVIEW NIGHTS

You are invited to join the M Health Fairview pharmacy residents and program directors to learn more about the residency opportunities within our system.

NOTE:

The first session will provide a general overview of our pharmacy services and a preview of the various programs. Following the overview session date, you will have an opportunity to meet with the individual programs, including current residents and program directions, in a question-and-answer format. We welcome all who are interested in our programs, but request that these sessions be limited to the Class of 2022 and PharmD graduates.

Thursday October 28th, 7-8 PM CST
