

M HEALTH FAIRVIEW WOODWINDS HEALTH CAMPUS PGY1 Pharmacy Residency

Program Overview

The Pharmacy Residency Program (PGY1) at M Health Fairview Woodwinds Health Campus in Woodbury, MN is a 12-month program consisting of core and elective learning experiences that are tailored to the resident's interests.

M Health Fairview Woodwinds Hospital, part of M Health Fairview Woodwinds Health Campus, is an 86-bed facility focused on providing holistic care to patients. The primary patient populations include orthopedics, obstetrics, general medicine, and outpatient oncology/infusion. During the residency year, the resident will have the opportunity to complete rotations at other hospitals or clinics within the system to diversify clinical experiences. The resident will also work closely with residents at other M Health Fairview sites.

PGY1 Program Purpose: PGY1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.
