PGY-1 Pharmacy Residency

General Program Information

**Program Overview**

The Pharmacy Residency Program (PGY1) at Fairview Ridges Hospital in Burnsville, MN is a twelve-month program consisting of core and elective learning experiences that are tailored to the resident’s interests.

Fairview Ridges Hospital is a 150 bed medical center providing comprehensive, specialized care to the southern Twin Cities community since 1984.

The Pharmacy Residency Program consists of direct patient care experiences in internal medicine, surgery, critical care, transitions of care and other various specialty areas. Each resident’s experience is tailored to individual interests and clinical skill development needs. The program also focuses on the development of leadership and management skills. A publishable residency research project will be designed and completed by the resident.
