Program Overview

The Pharmacy Residency Program (PGY1) at M Health Fairview Southdale Hospital in Edina, MN is a twelve-month program consisting of core and elective learning experiences that are tailored to the resident’s interests.

M Health Fairview Southdale Hospital is a 329 bed medical center that provides comprehensive medical services in more than 40 specialty services including: cardiology, orthopedics, oncology, obstetrics, neurosciences, critical care, vascular surgery, and emergency medicine. The Pharmacy Residency Program consists of direct patient care experiences in medicine, surgery, critical care, cardiology, and other various specialty areas. Each resident’s experience is tailored to individual interests and clinical skill development needs. The program also focuses on the development of leadership, management, and teaching skills. A publishable residency research project will be designed and completed by the resident.
