Date: May 2<sup>nd</sup>, 2019

Subject: **Change in Performing Laboratory, Kidney Stone Analysis**

---

Beginning 5/2/2019, HealthEast Medical Labs will be sending Kidney Stone Analysis (LAB564) testing to ARUP labs. There is no impact to ordering workflows or collection requirements. Testing will be performed 7 days/week with a turn-around time of 24-96 hours.

For test build purposes, please refer to the Client IT Communication, sent separately.

Please contact Dr. Byron Simmons at 651-232-7186 or Charlie Burrige at 651-232-7191 with questions or for more information.
