Ordering a Cancer Rehab Referral for Ambulatory Clinic Patients

In an open patient chart go to the Pan navigator.

In the New Order search field, type Cancer Rehab.

Click the New Order button.

Select the desired order(s) and click Accept.

Complete all required fields indicated with stop signs.

In the Comments section, use F2 to move through each item.

Choose Cancer Rehabilitation in the Special Programs field.

Keyword search: Outpatient, Speech Therapy, Order, OT, PT, cancer, rehab
Link the order with the appropriate diagnosis by placing a check next it.

Click **Accept**.

Click **Sign Orders**.
